Chapter 1 by Story Wars

My name is Piper, I am running through the forest, running for my life. I was being chased, I don't know what by, but I knew it was a dangerous creature, I could hear it growling. The more steps I took, the slower I got, I knew that the creature would reach me and kill me soon. I kept running.

I tripped, shock flew through me, this was it, I was dead. I closed my eyes and waited for the hit.

It never came.

I opened my eyes, the creature was frozen. It had turned out to be a common grey wolf. I thought about how the wolf had frozen, it was summer, wolves don't just... freeze!

I looked around, no one would be in the woods at this time of night! I had to find help, but my leg hurt for some reason. I looked down at it, the wolf had badly scratched it. Pain washed through me, I was getting weaker, until, I saw darkness.

He winked and my heart started to float.

'Sure!'
